Courses

The Philippi Trust have launched some exciting new workshops which has been funded by one of our partners. This enables us to train people for free (in these specified workshops) on a first come first serve basis. For more information see our website or contact our training department at training@philippitrust.co.za

The end of 2011 has arrived and we want to thank every person who contributed to making this year such a success at the Philippi Trust.

To all our staff for their overtime, personal sacrifices, excellent sense of humour and prayers. We thank you and pray God's richest blessing over you.

Our offices will be running with a skeleton staff from the 16th December to the 3rd January 2012.

May you have a blessed festive season.
